|                         | Panelist, ‘Working with your PhD supervisor’ workshop, Trinity College                       | 2023           |
|                         | Trinity College Postdoc-PhD mentoring programme                                              | 2022           |
|                         | Lecturer, Oxford undergraduate summer students: ‘The Standard Model’                         | Jul 2018       |
|                         | Tutor, Oxford 3rd year undergraduates: ‘Flows, Fluctuations & Complexity’                    | May 2016       |
|                         | Tutor, Oxford 3rd year undergraduates: ‘Subatomic Physics’                                   | May 2016       |
| LEADERSHIP<br>& SERVICE | Convener of QCD physics sessions, LHCP Conference, Paris, France                             | 2025 – 2026    |
|                         | Convener of QCD physics sessions, EPS-HEP Conference, Marseille, France                      | 2025           |
|                         | ▷ Conference abstract reviewer, co-organizer of agenda, and chair for parallel talk sessions |                |

|          |                                                                                               |                    |
|----------|-----------------------------------------------------------------------------------------------|--------------------|
|          | Convener for LHC Physics Centre at CERN (LPCC) Forward Physics Group                          | 2023 – 2025        |
|          | ▷ ATLAS contact, co-organizer, and convener for March, July and December 2024 workshops       |                    |
|          | Cambridge ATLAS Inner Tracker (ITk) strips upgrade module production                          | 2021 – 2024        |
|          | ▷ Qualified cleanroom site for module production, mechanical and electrical quality control   |                    |
|          | ▷ Led assembly and quality control of 60+ ITk strips modules to prove production readiness    |                    |
|          | ▷ Module thermal cycling: pioneered electromechanical stress analysis and interposer solution |                    |
|          | Convener of ATLAS Standard Model Soft QCD physics group                                       | 2022 – 2024        |
|          | ▷ Coordination role organizing program of 20 analyses probing non-perturbative dynamics       |                    |
|          | ▷ Chaired bi-weekly plenary meetings, steered physics group strategy and workshop agendas     |                    |
|          | Convener for Run 4 AFP Task Force on HL-LHC physics projections                               | 2021 – 2022        |
|          | ▷ Coordination role organizing physics and performance for ATLAS Forward Proton upgrade       |                    |
|          | ▷ Chaired meetings discussing beam optics, detector performance and physics opportunities     |                    |
|          | ATLAS Forward Proton combined performance and data preparation                                | 2019 – 2020        |
|          | ▷ Led scrutiny of AFP data quality, detector efficiency, energy scale calibration, simulation |                    |
|          | ▷ Delivered first collaboration-wide AFP performance recommendations for 2017 dataset         |                    |
|          | ITk Strip Module Level 3 Manager (Deputy), US ATLAS Upgrade                                   | 2026 – present     |
|          | Contact Editor, ATLAS Standard Model (SM) Soft QCD analysis                                   | 2025 – present     |
|          | Institute Representative (Team Leader), NYU ATLAS                                             | 2025 – present     |
|          | Computer and Departmental Webpage Committee, NYU Physics                                      | 2025 – present     |
|          | Editorial Board member for ATLAS SM Soft QCD analysis                                         | 2025 – present     |
|          | Analysis Contact, ATLAS Standard Model photon fusion production in Run 3                      | 2024 – present     |
|          | Graduate physics open house talk, NYU Department of Physics                                   | 2025               |
|          | ATLAS paper review (Institute Reading), Standard Model, NYU ATLAS                             | 2025               |
|          | Invited member-at-large for subgroup convenors, ATLAS Standard Model                          | 2024               |
|          | Grant expert reviewer for National Science Centre, Poland                                     | 2023               |
|          | Journal referee for Annalen der Physik                                                        | 2023               |
|          | ATLAS paper review (Institute Reading), Heavy-ion and Higgs, Cambridge ATLAS                  | 2023               |
|          | Contributing author, Snowmass whitepaper ‘Axion Dark Matter’, 2203.14923                      | 2022               |
|          | UChicago ATLAS website redesign, authored recruitment and mission statements                  | 2021               |
|          | Journal referee for Nuclear Physics B                                                         | 2021               |
|          | ATLAS paper review (Institute Reading), Trigger, UChicago ATLAS                               | Dec 2019, Sep 2020 |
|          | Coordinator for Snowmass Letter of Interest on terahertz axions                               | Aug 2020           |
|          | Grainger Fellowship website development, UChicago Physics                                     | Jul 2020           |
|          | Postdoctoral community working group, UChicago KICP                                           | Jul 2020           |
|          | Journal club, UChicago ATLAS group                                                            | May 2020           |
|          | Graduate open day speaker & poster, Oxford Particle Physics                                   | Dec 2018           |
|          | ATLAS paper review (Institute Reading), Supersymmetry, Oxford ATLAS                           | Jul 2018           |
|          | Organising committee member, YETI 2017, Durham University                                     | Sep 2016           |
|          | Physics aptitude test marker, Oxford undergraduate admissions                                 | Nov 2015           |
|          | Resident advisor for US visiting students, Williams-Exeter Programme at Oxford                | 2012 – 2014        |
|          | Publicity officer, Oxford Undergraduate Physics Conference                                    | Mar 2013           |
| OUTREACH | Faculty Science Communication Workshop, NYU Carter Journalism Institute                       | Oct–Nov 2025       |
|          | First-gen panelist, NYU Conference for Undergraduate Women in Physics                         | 25 Jan 2025        |
|          | The Conversation, news article with science journalists on taus in heavy ions                 | 17 Oct 2023        |
|          | Sidney Sussex MCR Research Conference, Cambridge, invited guest speaker                       | 4 Mar 2023         |
|          | Interviewed for UChicago news article on BREAD axion experiment proposal                      | 12 Apr 2022        |

|                                                                                 |                |
|---------------------------------------------------------------------------------|----------------|
| ATLAS Physics Briefing, news article on taus in heavy ions result               | 7 Apr 2022     |
| Trinity College Science Society Symposium, ‘Dark matter and colossal colliders’ | 13 Mar 2022    |
| CERN Courier magazine article, ‘The LHC as a photon collider’                   | 15 Aug 2020    |
| ATLAS Physics Briefing, online news article on AFP result                       | 30 Jul 2020    |
| Trinity Forum, Cambridge, ‘Dark matter at the LHC’ invited talk                 | 5 Jun 2019     |
| Pint of Science, Manchester, ‘Using light to reveal the darkness’ invited talk  | 20 May 2019    |
| Oxford HiggsHunters, mentoring secondary school students                        | 26–27 Jun 2018 |
| CERN school visit, hosting 35 sixth form students, teacher engagement           | 15 Feb 2018    |
| FQXi essay, information in physics and biology                                  | 3 Mar 2017     |
| Lunch with CERN scientists, physics discussions with school students            | 21 Oct 2016    |
| Oxfordshire Science Festival, all-day live physics demos on Broad Street        | 26 Jun 2016    |
| Perimeter Institute PSI Blog, ‘Surprises of spin’                               | 15 May 2016    |
| Out of this World: Family Fun Day, targeting under-represented at university    | 17 Apr 2016    |
| Oxford Catz Exchange, ‘Seeing the unseeable’ talk                               | 25 Feb 2016    |
| Oxford FameLab, ‘Listening to numbers’ talk                                     | 25 Jan 2016    |
| Oxford Stargazing Live, all-day live demos at particle physics stall            | 16 Jan 2016    |
| Oxford Science Christmas Lectures, mentoring school students                    | 8 Dec 2015     |
| Oxford Flash Talk Physics, ‘Fiddling with physics’ invited talk                 | 4 Dec 2013     |
| Institute of Physics essay, ‘Predicting the unpredictable’                      | 30 May 2012    |
